## RESPONSE TO INMATE GRIEVANCE

Inmate Name: GOONAN, CASEY	PFN: [REDACTED]
Housing Unit: 32 F Lower	Tracking #: 25-1229

These findings are based on a review of your grievance received on **May 21, 2025**. In your grievance, you made the following claim:

- You have experienced a pattern of aggressive behavior from a Housing Unit Staff Member. You have been threatened, threatened with disciplinary write-ups, had your possessions searched, the pod door was slammed shut, and you were threatened to be reclassified to the "Hole" or Restrictive Housing (RH).

**RESPONSE:** The Grievance Unit has reviewed and investigated your claim thoroughly and provided an explanation of its findings below.

The Grievance Unit reviewed available law enforcement resources and databases regarding your claim.

There was no evidence to support your concern but there was evidence to refute your claims. It was determined your possessions were searched along with several other inmates in accordance with Santa Rita Jail's Inmate Rules and Information, you were not threatened, individually threatened with receiving a disciplinary write-up, threatened to be reclassified, and the pod door was not slammed closed as you suggested.

It was further determined the Staff Member you identified remained professional towards you during the referenced interactions.

This grievance was determined to be **UNFOUNDED**, contain false statements, and be submitted in "Bad Faith." Refer to Disciplinary Incident Report #25-001352.

Your grievance is **UNFOUNDED**.

APPEAL

My podmates are witnesses to the soap incident, where I was threatened with a write-up,

And Deputy Dalton was involved in consoling me after the first incident mentioned, re: <sup>when I was</sup> threatened to be put in the hole by Dep. Durmesovic.

There are numerous inmates who have been complaining about Dep. Durmesovic's aggressive conduct.

I did not write my grievance in bad faith and based it on my experiences and memory of the three incidents. I am not trying to maliciously "write up" an officer. I ~~was~~ was legitimately scared and shaken up by my interactions with Dep. Durmesovic. You have to understand, I was not filing this in bad faith.

I HAVE EXPERIENCED A PATTERN OF AGGRESSIVE BEHAVIOR FROM DEPUTY DURMISEVIC THAT FEELS DISPROPORTIONATE TO MY BEHAVIOR AND THE ACTIONS/CONDUCT THAT PROVOKED DEPUTY DURMISEVIC ~~TO THREATEN ME.~~ THERE ARE TWO INCIDENTS LAST WEEK, AND ONE JUST YESTERDAY THAT I WOULD LIKE TO REPORT. THE FIRST WAS IN THE HALLWAY WALKING TO THE NURSES OFFICE. DEPUTY WAS WALKING FASTER THEN ME AND MOVED IN FRONT OF ME, ALMOST SUDDENLY HE TURNS AROUND AND STARTS WALKING AT ME. HE IMMEDIATELY SAID "INMATES ARE NOT TO WALK BEHIND DEPUTIES. NEXT TIME YOU DO THAT I'M PUTTING YOU IN THE HOLE." I DID NOTHING TO WARRANT THIS REACTION. (HE) WALKED IN FRONT OF (ME)!! I DIDN'T PAY MUCH MIND TO IT UNTIL A FEW DAYS LATER, WHEN HE ASKED IF ANYONE NEEDS SOAP. I SAID I NEED A BAR OF SOAP. HE REPLIED WITH INTENSE SUSPICION: "IF YOU ALREADY HAVE A BAR AND YOUR ASKING FOR EXTRA RIGHT NOW, I AM GOING TO WRITE YOU UP." HE THEN ENTERED OUR POD AND WENT THROUGH MY DRAWERS AND ALL OF MY STUFF, ANGRILY. I DID NOT HAVE EXTRA SOAP, SO HE DID NOT WRITE ME UP. HE SAID "YOU'RE LUCKY THIS TIME", AS IF I'VE DONE THIS BEFORE (WHICH I HAVEN'T), THEN HE AGGRESSIVELY WALKS OUT AND SLAMS THE DOOR UPON EXITING. THE WORST INCIDENT; HOWEVER, WAS YESTERDAY 5/19 @ 4 PM APPROX. DEPUTY DARTON CALLED ME TO THE NURSE'S OFFICE BEFORE DINNER, FROM THE DOOR WHILE WALKING INTO THE HALLWAY TOWARD 32 WEST. I WAS LET OUT OF MY POD AND ENTERED THE HALLWAY TO WALK TOWARD THE NURSE'S ROOM, WHEN I ENTERED THE HALLWAY DEP. DURMISEVIC WAS THERE, DARTON HAD WALKED INTO 32W. DEP. DURMISEVIC WAS ANGERED BY MY SIGHT IN THE HALLWAY AND STARTED MOVING FAST TOWARD ME AS IF HE WAS GOING TO GRAB ME PHYSICALLY. SO I KEPT BACKING UP ~~BACK~~ INTO 32 EAST SO I WOULD BE SAFER INTERACTING WITH HIM IN FRONT OF DEPUTY HAYNES. HE THEN SCOLDED ME. I HAVE NO DOUBT IN MY MIND THAT HE WOULD HAVE GRABBED ME IF I HADN'T WALKED INTO DEPUTY HAYNES' SIGHT.

THIS DOCUMENT IS SUBJECT TO SUBPOENA. PLEASE PREPARE IN A NEAT AND CONCISE FASHION.

On Tuesday, May 20, 2025, about 1800 hours, inmate Casey Goonan, housed in Housing Unit (HU) 32, Lower F-Pod, submitted a grievance alleging that I acted in an unpleasant and aggressive manner toward him. Goonan claimed my response was disproportionate to his actions and accused me of threatening him. According to Goonan, there were three incidents in total, two that occurred last week, and the most recent one occurred May 19, 2025.

The first incident occurred on May 12, 2025, about 1812 hours. I contacted inmate Goonan at his pod to escort him to the HU 32 sick call room for a medical appointment and instructed him to put on his jail-issued shirt. While I was still securing the pod door, Goonan exited the pod, therefore entering an unauthorized area, and began walking toward the sick call room before I completed locking the door or started the escort. I informed Goonan that it is against Santa Rita Jail protocol to proceed without a deputy escort. During the escort, Goonan walked directly behind me despite multiple prior instructions and a hand gesture to walk beside me. Since Goonan violated safety protocol, I asked if he had been previously incarcerated and was familiar with the jail rules. He confirmed he was aware. I did not threaten to "put him in the hole," as he falsely claimed in his grievance. While escorting him back to his pod, I explained the jail's safety policies and emphasized the importance of following all jail rules and procedures.

The second incident occurred on May 18, 2025, about 2205 hours. While conducting random cell searches in HU 32, I observed that most inmates possessed excessive amounts of soap, with some having over 10 bars. Soap is commonly used as a weapon when placed inside a sock and has been used in inmate-on-inmate assaults. To prevent hoarding and reduce the risk of such incidents, I instructed all inmates to open their drawers for inspection and informed them that those without soap would be provided with one. I completed the check on the east side of the unit and ensured soap was distributed only to those in need. At no point did I single out or target inmate Goonan, as he claimed in his grievance. The inspection was conducted uniformly and applied to all inmates who requested soap, in accordance with safety protocols.

The third incident occurred on May 19, 2025, about 1600 hours. I was supervising inmate feeding on the west side of HU 32, while Deputy Haynes supervised the east side, and Deputy Dalton conducted a pill call. Deputy Dalton began pill call in the west dayroom, then moved to the nursing room to allow us to complete dinner feeding at the scheduled time. During this time, I saw inmate Goonan wandering in the hallway. When I asked what he was doing in the hallway, he stated that a HU 32 Sheriff Technician had instructed him to get his medication. I was not informed that Goonan had been authorized to walk unsupervised from one side of the unit to the sick call room. I then instructed Goonan to proceed to the nursing room to get his medication. (Refer to my camera footage for further details). I request Goonan's grievance be dismissed, as it appears to be a malicious attempt to undermine the enforcement of housing unit rules.

## **SYNOPSIS OF HEARING:**

On Sunday, 05/25/25, about 1600 hours, I conducted a disciplinary hearing with Inmate Casey GOONAN. GOONAN did not request a counsel substitute, nor did he have any witnesses on his behalf. The hearing was recorded on my Axon body worn camera.

GOONAN told me about the following in brief. GOONAN stated that he never writes false grievances and that his latest grievance was not made in bad faith. GOONAN stated he wrote the grievance because after three encounters with the housing unit deputy he felt "shaken up". GOONAN felt threaten by the housing unit deputy because he told him not to walk in the back hallway or walk behind him. GOONAN felt that the way the housing unit deputy told him not to do things such as wander in the back hallway or walk behind a deputy was too stern and unnecessary. GOONAN believed that the housing unit deputy was unprofessional.

The housing unit deputy was not unprofessional. The housing unit deputy gave GOONAN legal commands to obey the rules of the housing unit at Santa Rita Jail.

I recommend the disciplinary recommendation of 30 days Loss of Privileges for these rule violations.

On Monday, 06/16/2025, about 0525 hours, I was conducting pill call in Housing Unit 32 (HU32). I instructed inmate Robert Goonan ([REDACTED]) to proceed to the West slider to receive his medication. Goonan attempted to exit the pod without wearing his assigned Santa Rita Jail uniform. I gave Goonan a direct order to return and properly dress in the required uniform. Goonan became visibly upset and responded by shouting in an aggressive tone. Due to the loud volume and agitation, I was unable to clearly understand what Goonan was saying. I reminded Goonan that such behavior was inappropriate and unacceptable. After complying and receiving his medication, Goonan returned to his pod and forcefully slammed the pod door behind him.

Goonan was in violation of inmate rules 201: Disrespect and 206: Excessive noise.

## **SYNOPSIS OF HEARING:**

This hearing interview was captured on my agency issued AXON body worn camera (serial #X60AA9370). The footage was later uploaded to a secure server at Santa Rita Jail.

On Wednesday, 061825, about 1830 hours, I conducted a hearing for inmate Goonan. A disciplinary report was written for disrespect and excessive noise.

When I interviewed Goonan, he said admitted to having an outburst but said it was from frustration with pain and not at all directed towards the deputy. He said it was sorry and it will never happen again.

I believe Goonan does have a legitimate and painful injury. He has been incarcerated here a short time and has no discipline issues. I recommend 0 days and gave him a warning about being in full jail issued uniform when he leaves his pod as the report did not specify that as a violation.

I advised Goonan the disciplinary report and the hearing will be forwarded to the facility Watch Commander for final determination of discipline.

		<b>SHORT SYNOPSIS</b> <p>On the above date and time, I conducted a Grievance Unit investigation concerning I/M GOONAN's Grievance #25-1229, received by the Grievance Unit on 5/21/2025. GOONAN claimed to have experienced a pattern of aggressive behavior from a Housing Unit Staff Member, having been threatened, threatened with disciplinary write-ups, had possessions searched, the pod door was slammed shut, and to be threatened to be reclassified to the "Hole" or Restrictive Housing (RH) during the course of specific interactions with the Staff Member. A review of available law enforcement databases directly contradicted GOONAN's claims. Staff Members, GOONAN identified, had their BWC activated and remained professional during the referenced encounters. My investigation determined this grievance contained false statements and was submitted in "Bad Faith". This violated the proper running of the facility as it delayed this investigation and utilized resources and time which delayed other emergent concerns and incidents at the facility.</p>
